ABOUT US

Established in 1981, Ubombo Primary School (UPS) has spent over four decades building a proud tradition of academic excellence and holistic child development in the Eswatini Lowveld. Situated in Big Bend, UPS is an independent, co-educational, and multi-denominational school for children aged 3 to 13 years, fully registered with the Independent Schools Association of Southern Africa (ISASA).

As a proud member of the Ubombo Schools Trust alongside our sister institutions Sisekelo High School,Ubombo Technical High School (U-Tech), and Ubombo Technical College (U-Tech College).UPS provides the vital early foundation in a seamless educational pathway from pre-primary through tertiary education.

WHY
CHOOSE US?

Over 40 Years of Excellence: Proven track record of high academic standards and holistic child development since 1981

Individualized Learning: Dedicated teachers focused on personal attention and child-centered growth.

Balanced Growth: Comprehensive focus on core literacy, modern STEM subjects, athletic programs, and regional travel.

OUR
CURRICULUM

We pride ourselves on a rich, diverse curriculum designed to ignite curiosity and foster academic excellence. In the foundational years, our priority is instilling a love for reading while mastering core literacy and numeracy concepts. As learners progress, we broaden their academic horizons across a well-rounded suite of subjects:

- English Language
- Mathematics
- Science
- Social Studies
- Religious Education
- Computer Studies
- SiSwati
- French
- Practical Arts And Technology
- Robotics
- Music
- Library
- Physical Education
- Consumer Studies
